

A.V.R.E. Race For Sight Saturday, July 16, 2011 at Windsor, NY

The Races --

A Field -

The course is about 40 miles long and consists of two loops around the following route: It begins near the Windsor village green and proceeds north on NY Rte 79. It turns right at Center Village onto Bridge St. and crosses the bridge over the Susquehanna River, then left on Center Village Loop Rd, and right on E. Windsor Rd. It then proceeds south, through the "S" curve, turns right onto Old Rte 17, and goes to the traffic light at the Windsor village green. The race will complete a second loop, turning right onto NY Rte 79 and following the same route. Upon reaching the traffic light at Windsor the second time, racers will turn left onto NY Rte 79, riding south. The race finishes on the uphill climb on Piper Hill Rd.

The A Field is for experienced racers only, equivalent to USCF Cat 3-4. Men, Women and Juniors (under 19) will all race together.

B Field -

The course is about 27 miles long and consists of one loop around the following route: It begins near the Windsor village green and proceeds north on NY Rte 79, turns right on NY Rte 7, and right in Nineveh, crossing the river. At the end of the bridge, it turns right onto E. Windsor Rd., proceeds south through the "S" curve, then turns right onto Old Rte 17. At the traffic light in Windsor, racers will turn left onto NY Rte 79, riding south. The race finishes on the uphill climb on Piper Hill Rd.

The B Field is a Citizen's race for beginner to intermediate racers. Men, Women, Juniors, and Tandem Teams will all race together. **No experienced racers will be allowed to ride in the B race. We reserve the right to place racers in the field appropriate for their level of experience.**

Detailed maps of both courses are available at www.avraceforsight.org
